

Paul D. Sergi Sr. *NO8D* Of Peninsula, Ohio - Born 1943, has become a major long time contributor in the business world and well known in ham radio circles. Speaking with Paul will allow one to know right away of his treasure trove of knowledge both antenna design and construction.

Paul's company DX Engineering of Akron-Tallmadge, Ohio is off and running into a major supplier of Amateur Radio & Electronic products.

It doesn't stop there, Paul's original company "Summit Racing Equipment" founded in 1968 is a legend. Summit Racing Equipment has been delivering parts and accessories to automotive enthusiasts around the world. From racers to street heroes, off-roaders to sport compact drivers, Summit's customers know that they can get the parts they need at guaranteed lowest prices. That, along with Summit's commitment to customer service, has driven the company's success for the last 35 years.

Whichever you prefer - mail, phone or the Internet - Summit Racing Equipment makes it easy to get the parts you need at the prices you like with full customer service.

Paul Sergi Sr. A avid drag racer and Corvette enthusiast, began Summit Racing Equipment in 1968 as a side business. He wanted to produce low priced parts to his fellow racers and as word of affordable parts and great service spread, the company quickly grew into a full-line operation. Paul, NO8D is founder and CEO of the largest mail order and online supplier of high performance automotive parts in the world & are the official mail order company of the NHRA.

Summit has retail and warehouse facilities in Tallmadge, Ohio - Nevada and Georgia. (Tallmadge is home to a 25,000 Square Foot super store) Mr. Sergi's 200' rotating tower array is pictured at the NO8D QTH. - Paul's son is KB8LPI, Paul Jr. W8SU 2006
