

Harry Chester Hurley W6CKS *1897-1946* WW1 Veteran PVT 70th Engineers Company "C" apparent injury serving in the U.S. Army - In 1920 Harry was living with his parents in Topeka KS he was with the Union Pacific RR as an Oiler. Father one David Hurley.

Our QSL feature catches up with Harry at the Vets Hospital San Fernando Ca in 1931. A few of Harry's QSL cards are found today for sale on the World Web. We've found no additional information other than Harry rests L.A. National Cemetery and prior was living at the National Military Home L.A. Calif.

Being a C.W. type myself, I love the QLF (Sending with left foot depiction.)
